

2018

Recommitment List

Every year, we ask our certified companies to recommit to the Leaping Bunny Program. It's our way of ensuring companies' manufacturing processes remain free of animal testing. We are the only cruelty-free certification program to do this!

We are happy to report that most of our companies successfully completed the process. Here is a complete list of ones that did (and ones that didn't):

Companies that **DID** Recommit

#

- 100% Pure
- 1121 Apothecary
- 1908 Brands
