GETTING STARTED

So, you've decided to pursue Leaping Bunny Certification. Have you read the Corporate Standard of Compassion for Animals? Detailed in the Standard are the criteria that must be met by all Leaping-Bunny-certified Companies. This will give you an indication of whether you might qualify as a cruelty-free company. Once you've reviewed the Standard, and feel you might qualify, you'll begin the certification process by filling out a registration form.

The first step in the certification process is to register your company with Leaping Bunny. You'll need to provide contact information about your Company and about yourself, as the Primary Contact for your Company.

The screenshot shows the 'REGISTER YOUR COMPANY' page on the Leaping Bunny Program website. The page has a dark header with the Leaping Bunny logo and navigation links: SHOPPING GUIDES, ABOUT LEAPING BUNNY, SHOP NOW, TAKE ACTION, NEWS, RESOURCES, DONATE, and FOR COMPANIES. Below the header is a search bar and social media icons. The main heading is 'REGISTER YOUR COMPANY' in green. The text explains the registration process and provides contact information for the CCIC Administrator. A note states that users will not be able to log in until they receive a contact from the Administrator. A link to log in is provided for already registered users. A red asterisk indicates required fields. The form is divided into two sections: 'Your Contact Information' and 'About Your Company'. The 'Your Contact Information' section includes fields for First name, Last name, Position, Email Address, and Contact Telephone. The 'About Your Company' section includes a field for Company name.

The form contains a text input field with the value "05/10/1986" and a hint "E.g., 06/14/2015". Below the input field is a paragraph of text explaining the requirement: "This is the date after which you, and your Manufacturers or Suppliers, can guarantee that none of your products, formulations, or ingredients have been tested on animals. Because virtually all ingredients have been tested on animals in the past (even water), you must pick a date. Many companies choose today's date as that makes it easy for them to check from this date forward. Other companies may choose the date of the company establishment. As long as your ingredient suppliers can comply with the date, it does not matter as long as it is a date in the past." At the bottom of the form are two buttons: "PREVIOUS" and "NEXT". The footer of the page contains the text "The Coalition for Consumer Information on Cosmetics" on the left and "LEAPING BUNNY PROGRAM" on the right.

Once all of your Declarations have been collected, your Application will be reviewed by a Leaping Bunny Administrator. After your Application has been approved, you can still edit, add, and remove Ingredient Suppliers and Product Manufacturers as needed, and continue to collect Declarations.

BRANDS, PARTNERSHIPS, & PROMOTIONS

Your Brands are what will appear in Leaping Bunny's online and print *Compassionate Shopping Guides*. For your Company to become certified, you'll need to submit information about at least one Brand as part of your Application (see page 12). Once your Application is approved, you'll be able to maintain your Brand listing(s) from your Company Page.

Each of a Company's Brands can have its own Partnerships and Promotions with Leaping Bunny.

The image displays two screenshots of the Leaping Bunny Program website. The top screenshot shows the 'CREATE PARTNERSHIP' form, which includes fields for Title, Description, and URL. The bottom screenshot shows the 'SHOP OUR PARTNERS' page, which lists the 'My Brand + Leaping Bunny' partnership and includes a 'SHOP NOW' button.

All of the companies certified through the Coalition for Consumer Information on Cosmetics' (CCIC) Leaping Bunny Program are doing their part to help eliminate the cruel and unnecessary use of animals in product testing. You can help too, just by shopping from these great cruelty-free companies!
